8 in 1 Ultra Blend - Select	Chicken Meal	Ground Corn	Brewers Rice	Corn gluten Meal	Animal Fat	Corn Oil	35%	15%	3%	10%

The criteria for a good ferret food is high animal protein (33% or more), high fat content (20% or more) and low fiber (3% or less) The first 2 ingredients should NOT be corn (Corn is a vegetable protein). Anything with fish/herring meal will cause more odors. Fruit or Veggie pieces are bad and can also cause blockages. **Chart brought to you by: Heart of Ohio Ferret Assoc., & Rescue (HOFA Rescue) www.hofa-rescue.org. (614) 740-1042. Small bags of Totally Ferret, FerretStore, 8 & 1 Ultimate, Natural Gold, Path Valley and Zupreem foods are available from HOFA on a limited basis. Large bags by order only.**
